

As we draw to the close of another semester, we are so grateful for your willingness to follow safety guidelines and work diligently to continue your education during these difficult times. We have been granted funds to distribute to students who are completing their courses with an emphasis on helping those students who receive financial aid. All students who are eligible will receive some level of award based on credit hours that you either completed in the Fall of 2020 or are currently enrolled in. This includes virtual only students and dual enrollment students. The hourly rate is approximately \$20 per credit hour. So, a student enrolled in 15 hrs. will get just over \$300. If you were enrolled in 15 hrs. for both Fall 2020 and Spring 2021, you should receive approximately \$600.

Please be on the lookout for emails from BankMobile with instructions on how to receive your funds. If you have not set up an account with BankMobile, please contact the business office at 601-643-8463 for help with that process.

As always, we want to support you and look forward to being able to do the same thing during the 2021 summer terms as well. With a smaller number of students, the per hour rate should be substantially higher for the summer terms. Any amounts distributed after that will depend on continued funding availability.

These funds will be distributed the week of April 26-April 30. Thank you for your patience as we work through this process.

Vice-President of Business Affairs

Form Instructions

Completing the Form: On each form, fill out the institution of higher education (IHE or institution) name, the date of the report, the appropriate quarter the report covers (September 30, December 31, March 31, June 30), the total amount of funds awarded by the Department (including reserve funds if awarded), and check the box if the report is a “final report.” In the chart, an institution must specify the amount of expended CARES Act funds for each funding category: Sections 18004(a)(1) Institutional Portion, 18004(a)(2), and 18004(a)(3), if applicable. Section 18004(a)(2) funds includes CFDA 84.425J (Historically Black Colleges and Universities (HBCUs)), 84.425K (Tribally Controlled Colleges and Universities (TCCUs)), 84.425L (Minority Serving Institutions (MSIs)), 84.425M (Strengthening Institutions Program (SIP)); Section 18004(a)(3) funds are for CFDA 84.425N (Fund for the Improvement of Postsecondary Education (FIPSE) Formula Grant). Each category is deliberately broad and may not capture specific grant program requirements. Explanatory footnotes help clarify certain reporting categories. While some items in the chart are blocked out, please note that the blocking of such items is consistent with Department guidance and FAQs and is not definitive. Provide brief explanatory notes for how funds were expended, including the title and brief description of each project or activity in which funds were expended. Do not include personally identifiable information (PII). Calculate the amount of the Section 18004(a)(1) Institutional Portion (referred to as “(a)(1) institutional” in the chart), Section 18004(a)(2) (referred to as “(a)(2)” in the chart), and Section 18004(a)(3) (referred to as “(a)(3)” in the chart) funds in the “Quarterly Expenditures for each Program” row, and the grand total of all three in the “Total of Quarterly Expenditures” row. Round expenditures to the nearest dollar.

It may be posted in an HTML webpage format or as a link to a PDF. A new separate form must be posted covering each quarterly reporting period (September 30, December 31, March 31, June 30), concluding after either (1) posting the quarterly report ending September 30, 2022 or (2) when an institution has expended and liquidated all (a)(1) Institutional Portion, (a)(2), and (a)(3) funds and checks the “final report” box. IHEs must post this quarterly report form no later than 10 days after the end of each calendar quarter (October 10, January 10, April 10, July 10) apart from the first report, which is due October 30, 2020. For the first report using this form, institutions must provide their cumulative expenditures from the date of their first HEERF award through September 30,
