NON-TRADITIONAL STUDENT SCHOLARSHIP POLICY (REVISED 11/21/ 2013)

The Administration of Copiah-Lincoln Community College wishes to provide financial assistance to non-traditional students who are not otherwise eligible for scholarship monies which are provided by the college to recent high school graduates. Non-traditional students for purposes of this policy shall be those students who meet the criteria as described below.

Criteria for Non-Traditional Student Scholarships

- a. Student must be 24 years or older at the time of application.
- b. Student must be a **FIRST time degree seeking student**.
- c. Student must earn a grade point average (GPA) of 3.5 or higher on the **FIRST 12 Semester Credit Hours (SCH)** of Copiah-Lincoln Community College course work. (The 12 SCH may be completed over the course of several semesters.)
- d. Student must complete an application form in the Financial Aid Office during the registration period of the semester he/she expects to receive the scholarship. The scholarship will be awarded for the current semester if application has been made during the registration period. If application is made after the registration period, the scholarship will be awarded the upcoming semester.
- e. Once the 3.5 GPA requirement has been met, the student must maintain a cumulative GPA of 3.0 on all work attempted. If a student falls below a 3.0 GPA, the student will no longer be eligible for the scholarship. The student may reapply for the scholarship but must reach the 3.5 GPA on all work since the original application to have the scholarship reinstated.
- f. The student will be eligible for the scholarship for the remainder of his/her college work at Co-Lin until a degree or certificate has been achieved or until the student has been out of school for one (1) calendar year.
- g. There is no requirement for full-time status to receive this scholarship; the scholarship will be applied to full time (FT) or part time (PT) tuition amounts charged against the student's account.
- h. The amount of this scholarship will be 1/2 of the tuition charged against the student's account for In-State students.
- i. Out-of-State students will be eligible for the 1/2 tuition scholarship; however, the scholarship applies to the In-State portion of the tuition only. An Out-of-State student will be responsible for the entire amount of the "Out-of-State" portion of tuition due the College.
