

Dear Medical Laboratory Technology Applicant:

Thank you for your interest in the Medical Laboratory Technology program at Co-Lin. This is a two-year (6 semester) program with the last 22 weeks of the program spent in clinical rotation in an affiliate hospital. The mission of the Medical Laboratory technology Program at Copiah-Lincoln Community College is designed to instruct students in the theoretical and practical skills required for the entry level practice of clinical laboratory science. The Medical laboratory Technician is responsible for assuring reliable and accurate laboratory results to meet the needs of the community and the medical profession. The results of these tests are used to determine the presence, absence, extent, and causes of diseases.

Successful completion of this program qualifies the student to take the ASCP Board of Certification. The MLT Program is accredited by The National Accrediting Agency for Clinical Laboratory Sciences; 5600 N River Rd, Suite 720; Rosemont, Illinois 60018; Phone 773-714-8880.
www.nacls.org.

Program enrollment is limited to eighteen (18) clinical students each year. In addition to meeting the college admissions requirements, you are also responsible for completing the items listed below in order to be considered for enrollment in the spring or fall.

1. If you are not currently a Copiah-Lincoln Community College student, you must complete the college application and return it to the College Admissions Office by November 1 for the spring semester and June 1 for the fall semester.
2. Complete the Medical Laboratory Technology Application on-line. It is located on the Medical Laboratory Technology web page on the CO-LIN website.
3. Complete and return the Essential Functions & Background Information Signature forms by November 1 for the spring semester and June 1 for the fall semester.
4. Must be 18 years of age upon entrance into the program.
5. Request your ACT score be sent to the Medical Laboratory Technology program. An **ACT of 18** is recommended.
6. Developmental courses must be successfully completed prior to entrance into the program.
7. Request official transcripts of all your college work (including Co-Lin transcripts) be sent to the Medical Laboratory Technology Program. If no previous college work: Request your high school official transcript be sent to the Co-Lin Admissions Office and the Medical Laboratory Technology Program.
8. Have two people complete a reference form for you and indicate relationship to you (employer, etc.). These may be sent directly to the program or submitted with application. In order for a reference letter to be valid, please follow the instructions on the form. If both reference forms are from employers, they need to be two different employers and not two people from the same place.

of employment. Reference forms completed by family, friends, or acquaintances will not be accepted.

9. Once items 1 – 8 have been met or completed, the applicant will be emailed a link to a Program questionnaire to complete.
10. Acceptance will be based on completed MLT Application Packet, ACT score, GPA, and a file review by the selection committee. Admission to the program is on a competitive basis.
11. If accepted, all applicants must complete a Health Examination form and CPR course prior to the first day of class. They must also participate in drug and alcohol testing and a criminal history background check.

NOTE: Items 1 – 8 must be met or received by November 1 for the spring semester and June 1 for the fall semester.

Items needing to be mailed may be sent to:

Medical Laboratory Technology Program
Copiah-Lincoln Community College
P.O. Box 649
Wesson, MS 39191

The course of study includes five (5) academic courses which are listed below:

CHE1213/CHE1211	General Chemistry I w/ Lab
BIO 2923/BIO2921	General Microbiology w/ Lab
HUMANITIES/FINE ARTS ELECTIVE	Art Appreciation or Music Appreciation or HIS or LIT
SOCIAL/BEHAVIORAL SCIENCE ELECTIVE	Gen. Psychology or Intro. to Sociology or American National Government or Psychology of Personal Adjustment
MAT 1313 or MAT 1314	College Algebra

These courses are not prerequisites to entering the program, but it will be to your advantage to successfully complete as many as possible prior to the beginning of the selection process.

If an ACT score indicates the need for developmental courses or grades indicate academic probation, these conditions must be successfully completed or corrected prior to applying to the program.

Please keep this letter for reference to important dates and deadlines.

Again, thanks for your interest in Medical Laboratory Technology. I hope this letter and the enclosed information will help you in making career choices.

Sincerely,

Paula Yarborough, M.T. (ASCP), MS
