

### Plan of Study for the LPN to RN AT Track

<u>Pre-requisite Courses</u>	<u>Hours</u>
BIO 2513 A&PI & BIO 2511 A & P I Lab	4
BIO 2523 A&P II & BIO 2521 A & P II Lab	4
BIO 2923 Microbiology & BIO 2921 Micro Lab	4
MAT 1313 College Algebra	<u>3</u>
	15

**General Education Courses:** The student must complete 27 hours of general education courses with a “C” or higher grade to meet degree requirements. General education courses can be completed before applying to the LPN to RN program or in conjunction with the nursing core courses once admitted to the nursing program. Most general education courses are recommended to be completed before application due to scheduling conflicts, but are not required.

<u>Course</u>	<u>Hours</u>	
EPY 2533 Human Growth & Development*	3	*Must be taken before 2nd nursing semester
ENG 1113 English Composition I	3	
PSY 1513 General Psychology	3	
Humanities Elective (ART 1113 or MUS 1113 or SPT 2233)	<u>3</u>	

12 + 15 hours pre-requisites = 27 general education hours

**Nursing Curriculum Courses:** Once admitted to the nursing program, the student must complete 45 hours of nursing core courses with a “C” or higher grade to meet degree requirements. All NUR prefix courses (listed below) are nursing core courses and must be taken sequentially.

<u>Transition Semester (Summer)</u>	<u>Hours</u>
*Credit by validation	15
NUR 1116 LPN Transition	6
*15 credit hours by validation are awarded after successful completion of NUR 1116 LPN Transition to meet the total of 21 hours in the traditional ADN program.	
	21

<u>Fall Semester</u>	<u>Hours</u>
NUR 2316 Maternal-Newborn Nursing	6
