

Spring 2026 Special Interest Classes

BLS/CPR

Fridays Sessions: February 20, March 20, and April 17 | 12:30-4:00 PM

The last day to register is one week before each class date.

The goal of the BLS course is to train participants to save the lives of victims in cardiac arrest through high quality CPR. This course will demonstrate basic lifesaving skills, rapidly recognize life-threatening emergencies, give quality chest compressions and ventilations. Basic AED usage will be demonstrated. At the end of the course participants will earn CPR certifications backed by the American Heart Association.

Instructor: Courtney Nichols Fee: \$80

Location: Room 410, Howell Garner Teaching Bldg.

The Toolbox to AI

Mondays and Wednesdays

Sessions: March 16, 18, 23, 25, 30, April 1, and 8 - NO CLASS on April 6

3:30-4:30 PM each day

The last day to register is March 4, 2026.

This course is beginner-friendly with no coding or technical experience needed. Gain knowledge of ChatGPT-5, machine learning, and generative AI, and learn how these technologies are changing everyday life. The course focuses on practical, hands-on experience using AI tools safely and creatively. Bridge the gap between theory and practice, with hands-on labs aimed at building simple predictive models. This course is for beginners who are curious about how artificial intelligence works.

Instructor: Bennie Wade Fee: \$55 Location: Room 311, Tom Reed Academic Bldg.

Wheel of Fortune

Thursdays

April 23, 30, and May 7, 2026 | 5:00-7:30PM

Last day to register is April 20, 2026

Limited space available, only 8 slots are available

Come join us for an exciting, hands-on experience, shaping, molding, spinning and creating wonderful works of art. Participants will be guided on how to prepare, shape, glaze and create functional and artistic art. Processes may include wedging, shaping, forming, trimming, refining, firing and glazing. You don't want to miss out on this great opportunity.

Attire: Wear comfortable old clothing as clay can be messy.

Instructor: Liz Blalock **Fee:** \$75

Location: 5 East Franklin St. (Magnolia Arts Studio), Natchez MS

From Starter to Loaf

April 17, 2024 | 5:30-8:00 PM

The last day to register is Thursday April 9, 2026.

Limited Space available, only 10 slots are available

Participants will focus on the essentials of building, feeding, and preserving a starter culture. Learn through step-by-step methods and hands-on training for creating, maintaining, and baking with a natural starter. Participants learn to combine, expand, fold, proof, and bake loaves, typically taking home a homemade shaped loaf. Learn how to create a consistent, homemade loaf, that includes hydration techniques, baking schedules, and how to understand fermentation and feeding to create tasty crispy bread.

Instructor: Jennifer Case **Fee:** \$75

Location: CTE Kitchen, Redd Watkins Career Technical Bldg.

To register with a credit card please call (601) 446-1204. To pay with cash or check stop by Copiah-Lincoln Community College; 11 Co-Lin Circle, Natchez MS 39120, Willie Mae Dunn Library located in the Tom Reed Academic Building. Pre-Registration is required. If for some reason you are not satisfied with a class, you may receive a refund. No refunds will be given after the first-class meeting.

*Registration hours are 7:30 a.m. until 3:30 p.m. Monday-Thursday, and 7:30-11:30 on Fridays. The courses featured in this schedule do not carry credit or lead to academic degrees. If you have any questions, please call (601) 446-1103 or **Email:** kimberly.grover@colin.edu*
